

RYNE COOPER

GROWTH LEADER | TECHNOLOGY STRATEGIST | ENTREPRENEUR

Builder of momentum.

I translate complex technology, infrastructure, and business problems into decisions people can understand and act on.

EXECUTIVE PROFILE

Director of Growth with more than 20 years across sales, business development, entrepreneurship, customer strategy, and problem solving. Known for connecting technical capability to commercial outcomes, building durable relationships, and bringing candid structure to complicated decisions.

CURRENT LEADERSHIP

Director of Growth

DATA HOLDINGS

Leads growth across complex digital infrastructure sales, strategic partnerships, customer strategy, and new offerings for a carrier-neutral, tribally owned data center. Helps organizations translate uptime, capacity, security, cloud, and risk into business decisions.

CORE EXPERTISE

Growth strategy & go-to-market	Complex infrastructure sales
Executive discovery & translation	AI and workflow strategy
Strategic partnerships	Speaking, mentoring & facilitation

Community involvement and volunteer service

OPERATING PRINCIPLES

- Clarity beats theater.
- Relationships are infrastructure.
- Name the tradeoff.
- Build, learn, improve.
- Leave people more capable than you found them.
